Dear Sponsor,

We are truly thankful for your generous support for our annual golf tournament to raise funds for our local libraries. With your help, we have been able to provide over \$130,000 to the libraries that service our community. The ongoing low level of government support for our libraries continues to make private funding sources essential to keep our libraries operational,

In addition to the libraries, our club supports the following local organizations and activities;

- Boy and Girl Scout Troops
- Senior Citizen Centers
- Susan Byrnes Health Center
- Elementary Schools "Reading Is Fundamental Program"
- College Scholarships
- Southern Community Services
- Youth Leadership Conference

We hope you will support this year's tournament scheduled for Friday July 17 by purchasing one or more of the sponsorships described on the enclosed form and by putting together a team of golfers to participate in the tournament. Rest assured that all funds raised by the sponsorships will go to support the indicated entities and none will be used to pay for golfing fees, food, or tournament prizes as the tournament entry fee pays for those costs.

Thank you again for your support

Eric Anderson
Chairman SYC Rotary Golf Tournament

Annual SYC Rotary Club's Golf Tournament and Crab Feast

July 17, 2020

With the recent severe cuts in state funding for our libraries, they need local community financial support more than ever. Over the last several years, the Southern York County Rotary Club has provided over \$130K to the Southern York County libraries from the proceeds of this golf tournament. The expenses involved in running a golf tournament consume most of the income from the golfers. Hence almost all of the net proceeds come from business concerns and individuals that donate sponsorships. So please help us keep our libraries solvent and able to continue to provide the invaluable services that they offer our communities.
